

What is not covered

The end-user is responsible for a one-time service inspection fee at current published rates if, after a complaint of leakage, a VELUX-authorized technician determines that the Covered Product was not installed strictly in accordance with VELUX deck mounted skylight and related flashing installation instructions or if the water penetration is not related to the skylight installation.

“Leak” within the meaning of this warranty requires the penetration of water in liquid form through or between the Covered Product (skylight) and roof deck caused by the installation of the Covered Product in accordance with VELUX deck or curb mounted skylight and related flashing installation instructions. Condensation on a Covered Product, which may occur as a natural result of humidity within a building or a variation between indoor and outdoor temperatures, is not a “leak,” is not covered by this warranty and is specifically excluded.

This warranty does not cover, and specifically excludes, any leaks to a Covered Product due to any of the following: re-roofing without re-wrapping using VELUX adhesive skylight underlayment and VELUX approved and related flashing, a venting Covered Product left open during rain or other forms of precipitation, moisture penetration at seams in the roof deck, incorrect installation of the product, rough opening sizes other than those called out in VELUX deck mounted skylight installation instructions, improper maintenance of the product or installation, accidents including but not limited to accidental glass breakage, abuse, misuse, faulty building construction or design, acts of God, products subject to conditions outside their design limitations, corrosive environmental factors including chlorine and acid rain, or any other factor unrelated to the original installation of the Covered Product.

In cases of extreme snow or large roof areas above the skylight, a water diverter should be considered. A water diverter is required for roof pitches from 45° to 60° utilizing ECL flashings. Refer to related skylight and flashing instruction manuals for proper installation. In case of flood and water overflowing the roof or skylight, this is considered acts of God and is not covered by our warranties.

FCM, VCM and VCE are installed with site built curbs, these need to be built and installed according to our curb mounted skylight installation instructions. If these skylight curbs are not built according to our instructions, with an outside curb dimension matching the skylight, secured properly to the roof deck or curb, use of adhesive underlayment and the use of related VELUX flashings, warranty may not be valid.

Disclaimer of all other warranties

THIS WARRANTY APPLIES ONLY TO THE INSTALLATION OF COVERED PRODUCTS AND PROVIDES THE EXCLUSIVE REMEDIES ON THE INSTALLATION OF THE COVERED PRODUCTS. THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY APPLICABLE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL OTHER WARRANTIES ON THE INSTALLATION OF THE COVERED PRODUCTS ARE HEREBY DISCLAIMED UNLESS PROHIBITED BY APPLICABLE LAW.

THIS WARRANTY IS A FULLY INTEGRATED DOCUMENT. ANY ALTERATION OR ADDITION TO THIS WARRANTY MUST BE IN WRITING, REFER SPECIFICALLY TO THIS WARRANTY, AND MUST BE MADE BY AN AUTHORIZED OFFICER OF VELUX. NO ALTERATION OR ADDITION TO THIS WARRANTY CAN BE MADE BY A VELUX DEALER.

Exclusions of damages

IN NO EVENT SHALL VELUX BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES RESULTING FROM THE INSTALLATION OF COVERED PRODUCTS. IN THE EVENT THAT VELUX CANNOT REINSTALL OR REPLACE A COVERED PRODUCT WITHIN A REASONABLE TIME, THE END-USER'S EXCLUSIVE REMEDY IS THE REASONABLE COST OF ONE (1) REINSTALLATION OF THE COVERED PRODUCT NOT TO EXCEED \$1,000.00.

Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Warranty claim procedure

Thank you for reviewing the VELUX America LLC. warranty procedure. It is our desire to handle any concerns on a VELUX product or installation in an efficient manner. To assist you in the process we have set up the following procedure to guide our valuable customers.

With 75 years of experience producing skylights, we have found that the most frequent problem regarding product concerns relates to proper installation. Thus, the first step of the warranty procedure is to verify with your builder, installer or remodeler that the installation of your VELUX product was completed according to the relevant VELUX instructions, thus:

If you have concerns with your VELUX product or installation, please contact your builder, remodeler or installer, who should inspect the product and installation to verify that installation is according to our instructions.

We find that most of the concerns by consumers are resolved in this step.

(if necessary)

If there is a concern following Step 1, have the builder, remodeler or installer contact VELUX customer service department directly at:

VELUX America LLC
PO Box 5001 • Greenwood, SC 29648-5001
Tel 1-800-88-VELUX • velux.solutions@VELUX.com

So that VELUX can provide the best response possible, please include the following information when contacting us:

- Your name, address, and phone number.
- A description of the product and the product model number (located on the identification label attached to each product).
- A description of the product concern.
- Details of attempts to address concern.

Once you have contacted VELUX customer service department, you may be asked to complete a product information form. The form will be emailed or faxed and helps expedite your service request.

Upon completion of the product information form, the call is escalated to our technical service department. This department is comprised of technical experts with years of experience handling product and installation concerns. Our technical service department will try to resolve your issue over the phone or provide parts as outlined in our limited warranty. Additional product installation information may be requested before proceeding further.

If our technical service department cannot solve the concern, a VELUX Solutions service contractor will schedule an appointment for an on-site visit. We do request the builder, remodeler or installer also join us on this call. This contractor will evaluate the problem and provide either on-site repair or a plan for resolution. In some cases the resolution involves the builder, installer or remodeler re-installing the product in accordance with our installation procedures. Please note that if it is determined on an on-site visit that the installing contractor incorrectly installed the VELUX product, then an on-site service visit fee will be charged. Thus, Step 1 of this procedure is critical.

In some cases the solution can only be determined by an on-site visit. In these cases additional spare parts may need to be ordered from our factory and a follow-up on-site visit may be necessary.

VELUX may, in its sole discretion, amend or revise this warranty. Please go to www.veluxusa.com/warranty for VELUX most updated warranty claim procedure information.

Thank you in advance for purchasing VELUX products. We want you to know that the overwhelming majority of VELUX customers never need to involve themselves in this process but we hope this overview helps you understand how we would solve a concern regarding an installed VELUX product.

VELUX Warranty

VELUX products with a 20 year limited warranty

VELUX insulating glass ^{(b)(c)}

For a period of (20) twenty years from the date of purchase, VELUX warrants to the end-user^(a) that the insulated glass unit in VELUX skylights will not develop a material obstruction of vision due to a failure of the glass seal. If a seal failure is brought to our attention during this time period, VELUX will, at its option, 1) provide a replacement pane delivered free of charge to the original point of purchase or to the end-user, 2) provide a replacement roof window or skylight product with an insulated unit delivered free of charge to the original point of purchase or to the end-user, or 3) refund the end-user the original purchase price.

VELUX SUN TUNNEL™ skylight rigid tunnel

For a period of (20) twenty years from the date of purchase, VELUX warrants to the end-user that the reflection-enhanced material in the SUN TUNNEL skylight shall be free from defects in material and workmanship and correspond to the agreed materials properties. VELUX guarantees that the material under normal interior environmental conditions will not splinter, yellow, darken, peel-off, blister, crack or develop any other surface deterioration reducing the reflectivity when used as instructed in the VELUX product instructions. If a defect is found during this period, VELUX will, at its option: 1) provide a replacement component delivered free of charge to the original point of purchase or to the end-user, or 2) repair the component without charge for material or labor.

(a) End-user means the natural or legal entity or person who owns the product and has not acquired it with a view to reselling or installing it in the course of a business.

(b) VELUX Modular Skylights (VMS) and roof windows are covered under a separate limited warranty and are not covered by this Limited Warranty.

(c) The components of insulated glass, electric control systems including motorized operators and rain sensors, and blinds (pleated shades, venetian blinds, roller shades, lightblock shades, and awning blinds) are covered under a separate warranty from the roof window or skylight as described by this limited warranty.

VELUX products with a 15 year warranty

VELUX polycarbonate skylights^(d)

For a period of (15) fifteen years from the date of purchase, VELUX warrants to the end-user that VELUX polycarbonate skylights (Models CD-, CE-, CT-, CG-, CH- and CJ-) will be free from defects in material, workmanship, and that no water will leak through the installed VELUX polycarbonate skylight, which includes coverage against cracking or crazing of the polycarbonate material that would result in a water leak.

If a VELUX polycarbonate skylight is found to be defective during this time period, VELUX will, at its option: 1) provide a replacement component, a replacement skylight delivered free of charge to the original point of purchase or to the end-user, 2) repair the skylight without charge for material or labor, or 3) refund the end-user the original purchase price.

What is not covered by the Polycarbonate Limited Warranty?

In no event shall VELUX be liable if the source of the leakage of water is determined to have entered through the interface of the curb to the roof or flashing details of the curb. Curbs must be flashed according to roofing material manufacturers specifications. In no event shall VELUX be liable if the source of the leakage of water is determined to have entered through cracking or crazing of the polycarbonate material resulting from abuse, acts of God, misuse, faulty building construction or design, improper or insufficient handling, or ice damming not resulting from a defect in the VELUX product. Condensation on polycarbonate skylights and related water damage, which may occur as a natural result of humidity within a building or a variation between indoor/outdoor temperatures is not a defect and will not be covered by this warranty. Normal aging of the surfaces resulting from weathering or effects caused by atmospheric, or environmental conditions, or corrosive substances including, but not limited to, those found in cleaning agents that may cause physical reaction with the components of the skylight are not covered by this warranty.

VELUX polycarbonate skylights glazing material - hail breakage limited warranty

For a period of fifteen (15) years from the date of purchase, VELUX warrants to the end-user^(a) that VELUX Polycarbonate Skylights will not crack or break due to hail. If VELUX, (i) verifies that the VELUX Polycarbonate Skylight subject to this Limited Warranty is cracked or broken as a result of hail, and (ii) confirms the occurrence of hail from the National Weather Service for the appropriate location of original installation, VELUX will, at its option: (1) provide a replacement product or (2) refund to the end-user the original purchase price of the VELUX skylight in question paid by the end-user.

What is not covered by the Hail Breakage Limited Warranty?

This limited warranty for hail breakage on VELUX polycarbonate skylights exclude the following: (1) Normal aging, discoloration or deterioration of the components resulting from weathering, pollution, dirt or effects caused by atmospheric or environmental conditions,(2) damages caused by hail stones measuring greater than 2” in diameter, (3) damages caused due to exposure to acid, or chemicals, or corrosive substances including, but not limited to, those found in cleaning agents that may cause physical reaction with the components of the skylight, (4) reinstallation labor or other consequential damages, (5) dents, cosmetic, superficial or other damages that do not inhibit the reasonable operation or serviceability of the skylight in which the VELUX Polycarbonate Skylight Glazing material is installed, (6) transportation costs required to deliver a replacement product to the original point of purchase or the end-user. This limited hail breakage warranty applies solely to cracks or breaks to the VELUX Polycarbonate Skylight Glazing material only specifically caused by hail and not by any other cause of damage to the glazing material or skylight as verified by VELUX.

VELUX acrylic and polycarbonate skylight integral metal frames^(e)

For a period of (15) fifteen years from the date of purchase, VELUX warrants to the end-user that VELUX acrylic and polycarbonate skylights (Models CD-, CT-, and CH-) will be free of any manufacturers defect or deterioration of the aluminum metal frames. If a defect or deterioration in a VELUX acrylic or polycarbonate skylight aluminum metal frame is brought to our attention during this time period, VELUX will, at its option, 1) provide a replacement component or skylight delivered free of charge to the original point of purchase or to the end-user, 2) repair the skylight frame without charge for material or labor, or 3) refund the end-user the original purchase price.

What is not covered by the Metal Frames Limited Warranty?

Normal aging of the metal surface resulting from weathering or effects caused by atmospheric, or environmental conditions, or corrosive materials are not covered by this warranty.

(a) End-user means the natural or legal entity or person who owns the product and has not acquired it with a view to reselling or installing it in the course of a business.

(c) VELUX acrylic and polycarbonate skylight model CD- refers to specific models CD1, CD2, CD3, and CD4; model CT- refers to specific models CT1, CT2, and CT3; model CH- refers to specific models CH1 and CH2.

(d) VELUX polycarbonate skylight model CD- refers to specific models CD1, CD2, CD3, and CD4; model CE- refers to specific models CE1, CE2, CE3 and CE4; model CT- refers to specific models CT1, CT2, and CT3; model CG- refers to specific models CG1, and CG2; model CH- refers to specific models CH1 and CH2; Model CJ- refers to specific models CJ1 and CJ2. VELUX skylight model CDS is covered by a separate limited warranty and is not covered by this limited warranty.

VELUX products with a 10 year limited warranty

VELUX roof windows, skylights, SUN TUNNEL skylights, and flashing^{(c)(d)}

For a period of (10) ten years from the date of purchase, VELUX warrants to the end-user that VELUX roof windows, glass skylights, VELUX modular skylight (VMS), SUN TUNNEL skylights, and flashing will be free from defects in material and workmanship. If a VELUX roof window, skylight, VMS, SUN TUNNEL skylight, or flashing product is found to be defective during this time period, VELUX will, at its option: 1) provide a replacement component or a replacement roof window, skylight, VMS, SUN TUNNEL skylight, or flashing product delivered free of charge to the original point of purchase or to the end-user, 2) repair the roof window, skylight, VMS, SUN TUNNEL skylight or flashing without charge for material or labor, or 3) refund the end-user the original purchase price.

Hail breakage warranty for VELUX skylights with Clean, Quiet & Safe glass only

For a period of ten (10) years from the date of purchase after January 1, 2014, VELUX warrants to the end-user^(a) that VELUX Skylights with Clean, Quiet and Safe glass only^(b) will not crack or break because of hail. If VELUX, (i) verifies that the Clean, Quiet and Safe glass on any VELUX Skylight subject to this Limited Warranty is cracked or broken as a result of hail, and (ii) confirms the occurrence of hail from the National Weather Service for the appropriate location of original installation, VELUX will, at its option: (1) provide a replacement pane, (2) provide a replacement skylight with an insulated pane, or (3) refund to the end-user the original purchase price of the VELUX skylight in question paid by the end-user.

What is not covered by the Glass Hail Breakage Limited Warranty?

This limited warranty for the VELUX Clean, Quiet and Safe glass exclude the following: (1) Normal aging, discoloration or deterioration of the components resulting from weathering, pollution, dirt or effects caused by atmospheric or environmental conditions, (2) reinstallation labor or other consequential damages, and (3) dents, cosmetic, superficial or other damages that do not inhibit the reasonable operation or service-ability of the skylight in which the VELUX Clean, Quiet and Safe glass is installed. (4) transportation costs required to deliver a replacement product to the original point of purchase or the end-user. This limited hail breakage warranty applies solely to cracks or breaks to the VELUX Clean, Quiet and Safe glass only specifically caused by hail and not by any other cause of damage to the glass or skylight as verified by VELUX.

VELUX acrylic and polycarbonate skylights – skylight dome yellowing^(e)

VELUX warrants to the end-user that the yellowness index on clear acrylic and polycarbonate skylight domes shall be less than 4.0 for a period of (5) five years from the date of purchase and less than 10.0 for a period of (10) ten years from the date of purchase as measured with a Hunter Lab’s spectrorolorimeter according to ASTM D 1925, subject to the limitations set forth herein. This warranty applies to the skylight domes exposed to ultraviolet rays in normal interior and exterior applications, which shall exclude extreme weather conditions.

What is not covered by this Skylight Dome Yellowing Warranty?

This warranty exclude damages caused due to exposure to acid, or chemicals, or corrosive substances including, but not limited to, those found in cleaning agents that may cause physical reaction with the components of the skylight. If a defect is found during this period, VELUX will, at its option: 1) provide a replacement component or a replacement skylight delivered free of charge to the original point of purchase or to the end-user, 2) repair the skylight without charge for material or labor, or 3) refund the end-user the original purchase price.

(a) End-user means the natural or legal entity or person who owns the product and has not acquired it with a view to reselling or installing it in the course of a business.

(b) Clean, Quiet and Safe glass was introduced by VELUX in January 2014 and carries the glazing code 04, 06, 08, 10 and can be found on VELUX skylights.

(c) The components of insulated glass, electric control systems including motorized operators and rain sensors, and blinds (pleated shades, venetian blinds, roller shades, lightblock shades, and awning blinds) are covered under a separate warranty from the roof window or skylight as described by this limited warranty.

(d) VELUX polycarbonate and dome skylights (models CD-, CE-, CT-, CG-, CH-, CJ-) are covered under a separate limited warranty and are not covered by this limited warranty. VELUX polycarbonate skylight model CDS is covered under a separate limited warranty and not covered by this limited warranty.

(e) The yellowing of SUN TUNNEL skylight polycarbonate components are covered under a separate limited warranty and are not covered by this limited warranty.

For a period of 90 days from the date of purchase, VELUX warrants to the end-user that replacement products and components not covered under any existing original warranty will be free from defects in material and workmanship. If a defect is brought to our attention during this time period, VELUX will, at its option: 1) provide a replace-ment component or product delivered free of charge to the original point of purchase or to the end-user, or 2) repair the product without charge for material or labor. Replacement products and components do not alter the original warranty period.

Other rights

The above warranties give you specific legal rights, and you may also have other statutory rights, which vary from State to State.

General exclusions and limitations applicable to all warranties

The warranty period begins from the date the VELUX product is purchased from a VELUX dealer and must be substantiated with the original invoice or sales receipt. If the purchase date cannot be substantiated, the warranty period will begin on the date of manufacture as indicated on each product.

This warranty does not cover any labor cost associated with the installation of replacement products or components if VELUX chooses not to repair the product. The providing of replacement products or components shall not extend the original warranty period. VELUX reserves the right to provide a similar replacement product or component if the original model is no longer available at the time of any warranty claim. This warranty does not the cover the cost of specialty equipment, such as cranes, boom trucks, platforms or lifts, required to install or service a replacement product. Shipping for a replacement product or component under warranty is free only within the continental United States, unless specifically indicated otherwise.

Do not attempt to repair or replace the product without authorization from VELUX. VELUX will not be responsible for any damages to persons or properties, including the

Covered Product itself, caused by any unauthorized attempt to repair or replace the product. Furthermore, VELUX may, at its option, refuse to provide any or all remedies under this Warranty if any unauthorized attempt to repair or replace a Covered Product causes further damages.

It is the responsibility of the end user to mitigate and minimize water damage or any other damage that a defect in a Covered Product may cause.

This warranty will only apply if the product is finished, installed, operated and main-tained strictly in accordance with VELUX instructions or other instructions furnished with the Covered Product. This warranty does not cover the repair or replacement of products damaged as a result of accident, including but not limited to accidental glass breakage, dome breakage or crazing, problems due to water penetration such as ice damming not resulting from default in a VELUX product, abuse, misuse, faulty building construction or design, improper or insufficient handling, alterations of the Covered Products or addition of non-approved components, applications in areas of high humidity, areas without proper or adequate ventilation or humidity control, acts of God, products subjected to conditions outside their design limitations, minor imperfections in glass or plastic components that do not affect the product in performance or obscure vision; minor variations in glass or plastic coloration; damage caused by adverse local conditions such as corrosive environmental factors including acid rain; damages caused due to exposure to acid or corrosive materials including, but not limited to, those found in cleaning agents that may cause physical reaction with the components of the skylight; variations in wood grain or color; wood rot due to improper maintenance or installation.

Normal aging, wear and tear, discoloration or deterioration of the components result-ing from weathering, pollution, dirt or effects caused by atmospheric or environmental conditions are not covered by this warranty, nor are problems arising from failure to properly maintain the product. Glass corrosion as a result of standing water and debris on glass are not covered by this warranty. Condensation on roof windows and sky-lights and any related water damage which may occur as a natural result of humidity within a building or a variation between indoor/outdoor temperatures is not a defect and will not be covered by this warranty. The warranty on insulated glass is void if any film is applied to the glass surface. Any water penetration through ventilation openings in VELUX curbs are not covered by this warranty.

Custom painted skylights, roof windows, VELUX SUN TUNNEL™ skylights and flashings are not covered by this warranty.

Disclaimer of all other warranties

THIS WARRANTY PROVIDES EXCLUSIVE REMEDIES AND IS IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. ALL OTHER WARRANTIES ARE HEREBY DISCLAIMED UNLESS PROHIBITED BY APPLICABLE LAW.

THIS WARRANTY IS A FULLY INTEGRATED DOCUMENT. ANY ALTERATION OR ADDITION TO THIS WARRANTY MUST BE IN WRITING, REFER SPECIFICALLY TO THIS WARRANTY, AND MUST BE MADE BY AN AUTHORIZED OFFICER OF VELUX. NO ALTERATION OR ADDITION TO THIS WARRANTY CAN BE MADE BY A VELUX DEALER.

Exclusions of damages

IN NO EVENT SHALL VELUX BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES. IN THE EVENT THAT VELUX CANNOT REPLACE OR REPAIR A COVERED PRODUCT WITHIN A REASONABLE TIME, THE END-USER’S EXCLUSIVE REMEDY IS A FULL REFUND OF THE ORIGINAL PURCHASE PRICE OF THE COVERED PRODUCT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
